### **Statement of Cole Garrison**

The jury agreed on most of the specific issues and questions asked of us. The most challenging question seemed to be what was a fair but strong number to put to the punitive damages. In the end we supported the amount asked for by the Plaintiff.

Hopefully Mr. David will be more mindful in his treatment of his employees going forward and hopefully others will take this as a strong message that sexual misconduct of this type will not be tolerated.

Cole Garrison

Juror in the Mahim Khan v. Alki David trial
