## **STATEMENT OF MELANIE CRAFT**

I contacted Ms. Allred after I saw her news conference about Daniel Brazelton and his alleged victim, Jaymee.

I felt it was important to provide any information that I might have so that the truth could be known.

My heart goes out to Jaymee and her family and I think that they have a right to all of the answers about how Mr. Brazelton was able to escape. My hope is that this will never happen to anyone else.
