Statement on Pennsylvania criminal case regarding Bill Cosby and the judge's decision to allow the case to move forward rather than dismissing it.

The judge clearly made the right decision on both the facts and the law when he decided to allow the criminal case against Bill Cosby to move forward. Now Mr. Cosby will have to face the serious charges of aggravated indecent sexual assault in a criminal court.

This motion by Mr. Cosby to have his criminal case dismissed was just the latest in a long string of unsuccessful legal maneuvers by him to try to avoid having a jury decide his guilt or innocence. Once again he has failed and he will now have to face at least one of his accusers in a court of law.
