Statement of Nathan Goldberg

From the first time I met Mr. Knutsson, I believed that if we could present his case to a jury that he would win.

He created the Kurt the CyberGuy brand from nothing by his hard work, talent and perseverance.

What happened to Kurt was very unfair. KTLA had no reason to take him off the air and refuse to pay him what he was owed.

This verdict is a reminder that truth can triumph.

Nathan Goldberg
Attorney at Law
Representing Kurt Knutsson
