Dear Mr. Burnett:

I am writing to request an immediate meeting with you and/or senior executives at MGM with reference to the release of footage of "The Apprentice". You have publicly stated that there are legal restrictions and prohibitions on releasing the tapes. I would request and welcome a meeting with you and your attorneys in which you would explain in detail the specifics of those claimed restrictions and/or prohibitions. In the alternative, I would propose that the evidence supporting your assertion that there is a legal basis for your refusal to release footage of Mr. Trump on "The Apprentice" be disclosed to a panel of three retired Los Angeles Superior Court judges who would review your claimed legal restrictions and determine if the footage of Mr. Trump can legally be released.

As you are well aware it is common practice for you to license footage of "The Apprentice" and other programs to the media and in view of the extreme public importance of the information on recorded material which would reveal Mr. Trump's conduct while filming "The Apprentice", it is in the public's interest that disclosure be made immediately unless there is a legal prohibition to doing so.

Your immediate attention and response is requested. Time is of the essence.

Very truly yours,

ALLRED, MAROKO & GOLDBERG
