Statement of Attorney Gloria Allred Regarding the Arrest of Ghislaine Maxwell

I represent 16 accusers of Jeffrey Epstein. If Prince Andrew thought that the criminal investigation of sex trafficking of young girls to Jeffrey Epstein ended with the forced resignation of the U.S. Attorney for the Southern District of New York, Geoffrey Berman, he was wrong. The arrest of Ghislaine Maxwell is a major development and demonstrates that the criminal investigation is serious and that it continues. It is long overdue for Prince Andrew to stop making excuses and to stop playing the victim. He should contact the FBI immediately and agree to appear for an interview with them to disclose everything that he knows about Jeffrey Epstein and Prince Andrew's friend, Ghislaine Maxwell.
