Statement regarding Harvey Weinstein being transported to Los Angeles today

It is long overdue for Harvey Weinstein to face his accusers in Los Angeles criminal court. I represent two victims for whom charges have been filed in the Los Angeles County criminal case filed against Harvey Weinstein and other potential witnesses in this case as well. I also represent Mimi Haley who was the key witness in the criminal case in New York against Mr. Weinstein. Based on her testimony he was convicted of criminal sexual assault and sentenced to 20 years in New York State prison.

Justice has been delayed in Los Angeles but it will not be denied to the brave accusers who are willing to testify in this criminal case.
